

## Alta Langa DOCG Brut

- **Valter Bera represents the very best of small-scale Asti and Moscato d'Asti production in Piedmont.** He has dedicated time and energy to making the wines of the Neviglie area known and appreciated.
- The family produces **Moscato, Barbaresco, but also Dolcetto, Brachetto Langhe Nebbiolo, Barbera and Barbera Superiore.**
- Moscato d'Asti and fully sparkling Asti are today almost exclusively produced by large wineries. **Valter Bera strives to return this historic wine to its small-winery roots, which means producing these wines by hand** rather than by automation as well as working with the Martinotti (Charmat) method on a much smaller scale than his competitors.

**Varietal:** Chardonnay and Pinot nero

**Appellation:** Alta Langa DOCG

**Production Zone:** Langhe hills in Neviglie, Cuneo, Piedmont

**Soil:** Hilly, clayey

**Vinification:** Grapes hand-picked end August/early September . Soft pressing, fermentation in stainless steel tanks (10% of the juice ferments in barriques)

**Maturation:** Second fermentation in bottle (metodo classico), aging sur lie for 4 years, then degorgement and rest in bottle before release

Bera Brut Alta Langa is the result of the respect of our territory, the daily work and care of our vineyards, culture, history, traditions but also of memories, emotions and passions of the Bera family.

**SUSTAINABLE**

- *Light golden yellow with fine and persistent perlage. At the nose, notes of crust of bread and yeasts, white fruits, citrus and the perfumes of chardonnay and pinot black. On the palate, soft, gentle and intense, full body of the pinot and softness of chardonnay.*
- *Perfect as an aperitif, it pairs well with seafood appetizers, grilled king prawns and scampi*
